This orientation course is primarily for those intending to supervise asbestos removal projects in Kentucky. For an entity (company) to receive a Certificate for Asbestos Abatement, attendance by their project supervisors at this orientation session is required. [NOTE: There is no charge to attend this session. However, a certification fee is required when submitting an application for certification.] All parties may register under the following conditions:

1. Attendance at a DAQ-approved training course for supervisors is recommended prior to attending this orientation course. Courses approved by EPA or by states authorized by EPA to approve courses are automatically approved by DAQ.
2. Each governmental agency, industrial facility and contracting firm is generally allowed six trainees per session. Exceptions to this rule are subject to the discretion of DAQ.
3. Industrial and contracting representatives from out of state may register to attend.
4. Class size is limited to 20 attendees.

To enroll for this training session, complete the attached registration form and return it to the attention of:
