Eminence Speaker LLC has applied to the Kentucky Division for Air Quality for a permit to operate an audio and video equipment manufacturing facility at 838 Mulberry Pike, Eminence, KY 40019. The plant is classified as a Conditional Major source due to potential emissions of hazardous air pollutants greater than a major source threshold. This permit contains practically enforceable limitations to restrict this source's potential emissions to less than a major source threshold.

An electronic copy of the Division's draft permit should shortly become available at <http://air.ky.gov/Pages/PublicNoticesandHearings.aspx>. Paper copies of the draft permit and relevant supporting information are available for inspection by the public during normal business hours at the following locations: Division for Air Quality, 200 Fair Oaks Lane, 1st Floor, Frankfort, KY 40601, phone (502) 564-3999; Division for Air Quality Florence Regional Office, 8020 Veterans Memorial Drive, Suite 110, Florence, KY 41042, phone (859) 525-4923; and the Henry County Public Library, 172 Eminence Terrace, Eminence, KY 40019-1146, phone (502) 845-5682.

For a period of 30 days the Division will accept comments on the draft permit and afford the opportunity for a public hearing. The first day of the 30 day period is the day after the publication of this notice. Comments and/or public hearing requests should be sent to Mr. James Morse at the above Frankfort address or e-mail [James.Morse@ky.gov](mailto:James.Morse@ky.gov). Any person who requests a public hearing must state the issues to be raised at the hearing. If the Division finds that a hearing will contribute to the decision-making process by clarifying significant issues affecting the draft permit, a hearing will be announced. All relevant comments will be considered in issuing the final permit. Further information can be obtained by calling Mr. Sajjad Quabili at (502) 564-3999.
