

**KENTUCKY DIVISION FOR AIR QUALITY  
NOTICE OF PUBLIC HEARING  
TO REVISE KENTUCKY'S STATE IMPLEMENTATION PLAN**

The Kentucky Energy and Environment Cabinet will conduct a public hearing on July 30, 2012, at 6:00 p.m. (local time) in the Conference Room of the Northern Kentucky Area Development District (NKADD), 22 Spiral Drive, Florence, Kentucky. This hearing is being held to receive comments on a proposed State Implementation Plan (SIP) revision to update the 8-hour ozone motor vehicle emissions budget for the Kentucky portion of the Cincinnati-Hamilton, Ohio-Kentucky-Indiana ozone maintenance area from the MOBILE6.2 model to the MOVES model. This revision, when approved by U.S. EPA, will meet the requirement of using a MOVES-generated budget for SIP development, transportation conformity determinations, and other purposes for the area.

This hearing is open to the public and all interested persons will be given the opportunity to present testimony. The hearing will be held, if requested, at the date, time and place given above. It is not necessary that the hearing be held or attended in order for persons to comment on the proposed submittal to EPA. To assure that all comments are accurately recorded, the Division requests that oral comments presented at the hearing also be provided in written form, if possible. To be considered part of the hearing record, comments must be received by the close of the hearing. Comments should be sent to the contact person. If no request for a public hearing is received, the hearing will be cancelled, and notice of the cancellation will be posted at the website listed below. Request for a public hearing must be received no later than July 23, 2012 while all comments must be submitted no later than July 30, 2012.

The full text of the proposed SIP revision is available for public inspection and copying during regular business hours (8:00 a.m. to 4:30 p.m.) at the locations listed below. Any individual requiring copies may submit a request to the Division for Air Quality in writing, by telephone, or by fax. Requests for copies should be directed to the contact person. In addition, an electronic version of the proposed SIP revision document and relevant attachments can be downloaded from the Division for Air Quality's website at:
